

Controller RLCR33S

USB
5V DC Power Supply
for V1(WDMX Receiver)

DMX in

Color Temperature

Brightness

DMX out

2x 6pin Output

max. 2x 150W

Compatible with RL31-75W / RL31-100W / RL31-150W MAT

** When connect 2ea x MATs, the MATs should be the same kind.*

** 9Pin and 6Pin can not be used at the same time.*

9pin Output

max. 300W

Compatible with RL33-200W / RL33-300W MAT

Power input with 2 options

Left: 24V DC (XLR-3pin)

Right: 80~260V AC (Round Lock type)
