of separate parts

All prices in EURO, ex works.  
Specifications subject to change without notice.

Kit C700-EXT-KIT: Chrosziel's unique Light Weight Support (401-C700) and the new Chrosziel Universal Handgrip Extender (403-40) turn your Canon C700 into a perfectly balanced shoulder-camera. Light-weight and easy to use, yet robust.

**For perfect compatibility with Light Weight Support 401-C700:**

### Features C700-EXT-KIT:

#### LWS 401-C700

- Sliding Shoulder Pad, extensible for perfect balances on the shoulder
- V-Mount for **Chrosziel QuickLock Plate 401-130**, Sony VCT-14 or other quick-release plates (ARRI, Panasonic, etc.)
- Also combines with **Chrosziel 19mm DigiCine Bridge Plate 401-F235** for dia. 19mm rods
- Light Weight Support **safely fixed** on the camera base with several screws
- Incl. 205mm rods, threaded for extensions
- Tripod Adapter Plate 401-FS7-5-03 for direct tripod mounting
- Rear Rod Clamp 401-FS7-5R-01 for accessories like batteries or breakout boxes

#### Universal Handgrip Extender 403-40

- Two **Hirth-Rosettes**
- Through the **Hirth-Rosette**, the camera handgrip mounts at the end of the Handgrip Extender
- Telescopic extension from 180 to 250mm
