

Gold mount to V-mount Battery Adaptor S-7005S

V-mount to Gold mount Battery Adaptor S-7005A

Introduction:

S-7005S and S-7005A are the V-mount / Gold mount conversion adaptors, to adapt V-mount batteries to Panasonic gold mount cameras, or adapt Gold mount batteries to SONY V-mount cameras.

The conversion adaptor plates provide a D-tap DC output socket, for additional simultaneous DC output, and the new designed battery release button ensures the stable structure and reliable connectivity.

Features:

- ◆ Gold mount to V-mount battery adaptor (S-7005S)
- ◆ V-mount to Gold mount battery adaptor (S-7005A)
- ◆ New battery release button
- ◆ D-tap DC output socket
- ◆ Smaller in size
- ◆ Stable and reliable connectivity

Specifications:

Model	S-7005S	S-7005A
Compatible battery	V-mount batteries	Gold mount batteries
Applicable device	Device with Gold mount plate	Device with V-mount plate
Nominate voltage	14.4V	14.4V
Dimension	119×99×35mm	119×85×24mm
Weight	150g	120g
